Photos: Official Jazz Camp photos will be taken at the class/rehearsal times. Each group will alternate rehearsing while the other is having photos taken, i.e. one “AM” group will rehearse while the other is having pictures taken. The same process will be repeated for the “PM” group. The photography studio is located next door to the Jazz Center. Photos can be ordered either during rehearsal or the show by putting your name on the list we will have out.

This is a free community event and open to all, friends and family are invited. Please be advised that seating is often limited.

Directors Steve Wilson and Terrel Eaton will be available for questions at the camp along with Kuumbwa staffer/coach Jeremy Yanowitz. The concert is always a blast, and I look forward to seeing you all there!

I can’t wait to hear how great everyone sounds! See you all soon.
